| 1 | Welcome & intent
Quick round-robin. Align on the goal: make this <i>the</i> standout session of the weekend and genuinely useful for appraisers. | 5 min |
| <hr/> | | |
| 2 | Session recap & alignment
Confirm title, track, format, date/time, and the appraiser-only audience. Confirm the core promise: sustainable business growth strategies for appraisers. | 10 min |
| <hr/> | | |
| 3 | Presentation content & flow
The 3–4 big takeaways an attendee should leave with. Segment the 2 hours: opening → core strategies → live “Ask the Appraiser” Q&A. Who leads which segment (John / Woody / David strengths). Format ideas: live questions, case examples, interactive moments. | 35 min |
| <hr/> | | |
| 4 | Sponsors — the priority ask
Round up names/intros from each speaker’s network (AMCs, appraisal software, data/analytics, valuation & AI proptech, lending/fintech). The “Fannie in the seats” play — who has a warm path to Fannie Mae? Assign an owner. Reminder of tiers (Core \$1K / Featured \$2.5K / Title \$10K) and current partners so intros are framed right. | 25 min |
| <hr/> | | |
| 5 | Logistics & next steps
Woody & David: speaker portal setup + individual referral links (\$47/ticket). Portal disclosures due July 10 — on calendars. Confirm next check-in date and owners for each action item. | 15 min |
