WHY SPONSOR

- 1

Real leads, not impressions
Every booth visitor auto-logged — name, email, org — via Zoom Events. No badge scanning, no form.
- 2

The founding window
Year 1 pricing reflects Year 1 risk. This rate does not return in Year 2. First-mover brand association is permanent.
- 3

The right room
Appraisers, firm owners, lenders, tech adopters — if your product touches the valuation workflow, this is your buyer.
